Benefits paid under the Accelerated Benefits provision will reduce the Death Benefit payable for life insurance.

Benefits payable under the Accelerated Benefits provision may be taxable. If so, the Employee or the Employee's beneficiary may incur a tax obligation. As with all tax matters, an Employee should consult with a personal tax advisor to assess the impact of this benefit. WHO IS ELIGIBLE

Classes of Eligible Persons

A person may be insured only once under the Policy as an Employee, even though he or she may be eligible under more than one class.

Employee

If you qualify under the Class Definition shown in the Schedule of Benefits, you are eligible to be insured under the Policy on the Policy Effective Date, or the day after you complete the applicable Eligibility Waiting Period, if later. The Eligibility Waiting Period will not apply if you are in Active Service on the Policy Effective Date and you satisfied the Eligibility Waiting Period, if any, of the Prior Plan. Credit will be given for any time you satisfied.

If you have previously converted your insurance under the Policy, you will not become eligible until your converted policy is surrendered. This does not apply to any amount of insurance that was previously converted under the Policy due to a reduction in your Life Insurance Benefits based on age or a change in class unless those conditions no longer affect the amount of insurance available to you.

Except as noted in the Reinstatement Provision, if you terminate coverage and later wish to reapply, or if you are a former Employee who is rehired, a new Eligibility Waiting Period must be satisfied. You are not required to satisfy a new Eligibility Waiting Period, if insurance ends because you are no longer in a Class of Eligible Employees, but continue to be employed by the Employer, and within one year you become a member of an eligible class.

TL-004710

WHEN COVERAGE BEGINS

You will be insured for an amount not to exceed the Guaranteed Issue Amount on the date you become eligible, if you are not required to contribute to the cost of this insurance.

If you are not in Active Service on the date insurance would otherwise go into effect, it will be effective on the date you return to Active Service.

TL-004712

Takeover Provision

Special Terms Applicable to Previously Insured Employees Not in Active Service

If you are not in Active Service on the Policy Effective Date, you are not covered under the Policy.

However, We agree to provide a death benefit equal to the lesser of:

1. the amount due under this Policy (without regard to the Active Service provision), or
2. the amount that would have been due under the Prior Plan had it remained in force.

The benefit amount will be reduced by any amount paid by the Prior Plan, or that would have been paid had this Policy not been issued and had timely filing of the claim been made under the Prior Plan.

These special terms will end on the earliest of the following dates:

1. the date you meet the Active Service requirements;
2. the date insurance terminates for one of the reasons stated in the When Coverage Ends provision;
3. 12 months after the Policy Effective Date; or
4. the last day you would have been covered under the Prior Plan if that plan was still in force.

TL-009020

WHEN COVERAGE ENDS

Coverage will end on the earliest of the following dates:

1. the date you are eligible for coverage under a plan intended to replace this coverage;
2. the date we terminate the Policy;
3. the date you are no longer in an eligible class;
4. the date coinciding with the end of the last period for which required premiums are paid;
5. the date you are no longer in Active Service; and
6. for an Employee, the date the Employer cancels participation under the Policy.

TL-004714

WHEN COVERAGE CONTINUES

Continuation for Temporary Leave of Absence, Layoff or Family Medical Leave

If you are an Employee and your Active Service ends due to an Employer approved unpaid leave of absence, layoff or family medical leave, your insurance will continue if the required premium is paid.

In these circumstances, your insurance may continue as follows.

1. For an Employer approved unpaid leave of absence, up to 12 months.
2. For layoff, up to 31 days.
3. For an Employer approved family medical leave, up to 12 weeks.

Continuation for Military Leave of Absence

If you are an Employee and your Active Service ends due to a military leave of absence, your insurance will continue for up to 18 months if the required premium is paid.

Continuation for Disability for Employees over Age 60 Without Premium Payment

If an Employee becomes Disabled and is age 60 and over, the Basic Life Insurance Benefits will be continued, without premium payment, until the earlier of the following dates:

1. The date the Employee is no longer Disabled.
2. The date the Employee has been Disabled for one year.

Termination of the Policy will not act to end continuation under this provision.

Amount of Insurance

If an Employee dies while he or she is Disabled and coverage is continued under this provision, the Insurance Company will pay a Death Benefit equal to the amount in effect on the date the Employee became Disabled. However, the Life Insurance Benefit will be subject to the provisions of the Policy that reduce the coverage amount because of age, retirement, a change in class, or payment of an Accelerated Benefit. The Insurance Company will pay benefits only if due proof of the Employee's continuous Disability is received within one year of the date of the loss. Due proof includes proof that the Disability continued with no interruption until the date of the Employee's death.

Conversion Privilege

When continuation under this provision ends, it will be considered the end of the Employee's employment with the Employer. At that time, the Employee may convert his or her Life Insurance coverage to an individual policy as described under the section of the Policy titled, *Conversion Privilege*.

If the Employee exercises the Conversion Privilege prior to continuing coverage under this continuation provision, and during the conversion period he or she:

1. returns to full-time work and becomes insured under the Policy; or
 2. does not surrender the converted policy he or she may have bought;
- then the Employee will not be eligible for continuation under this provision.

"Disability"/"Disabled" means because of Injury or Sickness an Employee is unable to perform all the material duties of any occupation which he or she may reasonably become qualified based on education, training or experience.

TL-009925

Extended Death Benefit with Waiver of Premium

Extended Death Benefit

If you become Disabled and are less than age 60, the Life Insurance Benefits shown in the Schedule of Benefits will be extended without premium payment until the earlier of the following dates:

1. The date you are no longer Disabled.
2. The date you fail to qualify for Waiver of Premium or fail to provide proof of Disability as indicated under *Waiver of Premium*.

Amount of Insurance

If you die while you are Disabled and coverage is extended under this provision, we will pay a Death Benefit equal to the amount in effect on the date you became Disabled. However, the Life Insurance Benefit will be subject to the provisions of the Policy that reduce the coverage amount because of age, retirement, payment of an Accelerated Benefit or a change in class. Automatic increases in Life Insurance Benefits will end while premiums are waived. We will pay benefits only if due proof of your continuous Disability is received within one year of the date of the loss.

"Disability"/"Disabled" means because of Injury or Sickness you are unable to perform all the material duties of your Regular Occupation; or is receiving disability benefits under the Employer's plan.

"Regular Occupation" means the occupation you routinely perform at the time the Disability begins. We will consider the duties of the occupation as it is normally performed in the general labor market in the national economy.

Waiver of Premium

If you submit satisfactory proof that you have been continuously Disabled for 9 months, your coverage will be extended.

Such proof must be submitted to us no later than 3 months after the date the Waiver Waiting Period ends. Premiums will be waived from the date we agree in writing to waive premiums for you.

After premiums have been waived for 12 months, they will be waived for future periods of 12 months, if you remain Disabled and submit satisfactory proof that Disability continues. Satisfactory proof must be submitted to us 3 months before the end of the 12-month period.

Amount of Insurance

If you die while you are Disabled and coverage is continued under this provision, we will pay a Death Benefit equal to the amount in effect on the date you became Disabled. However, the Life Insurance Benefit will be subject to the provisions of the Policy that reduce the coverage amount because of age, retirement, payment of an Accelerated Benefit or a change in class. Automatic increases in Life Insurance Benefits will end while premiums are waived. We will pay benefits only if due proof of your continuous Disability is received within one year of the date of the loss.

Termination of Waiver

Your insurance will end on the earliest of the following dates.

1. The date you are no longer Disabled.
2. The date you refuse to submit to any physical examination required by us.
3. The last day of the 12-month period of Disability during which you fail to submit satisfactory proof of continued Disability.

“Disability”/”Disabled” means because of Injury or Sickness you are unable to perform all the material duties of any occupation which you may reasonably become qualified based on education, training or experience.

WHAT IS COVERED

LIFE INSURANCE BENEFITS

Death Benefit

If an Insured dies, we will pay the Life Insurance Benefit in force for that Insured on the date of his or her death.

TL-004730

Accelerated Benefits

Any benefits payable under this Accelerated Benefits provision will reduce the Death Benefit payable for Life Insurance. Any automatic increases in Life Insurance Benefits will end when benefits are payable under this provision.

Terminal Illness Benefit

We will pay a Terminal Illness Benefit if we determine you are Terminally Ill. The amount of this benefit is 50% of the Life Insurance Benefit in effect for you on the date we determine you are Terminally Ill up to the Maximum Benefit Amount shown in your Schedule of Benefits for this option. The Terminal Illness Benefit is payable only once in an Insured's lifetime.

Determination of Terminal Illness

For the purpose of determining the existence of a Terminal Illness, we will require you to submit the following proof.

1. A written diagnosis and prognosis by two Physicians licensed to practice in the United States.
2. Supportive evidence satisfactory to us, including but not limited to radiological, histological or laboratory reports documenting the Terminal Illness.

We may require, at our expense, you to be examined and a review of the documented evidence by a Physician of our choice.

"Terminal Illness" means a person is diagnosed by a Physician to have a prognosis of 12 months or less to live.

TL-004748

Conversion Privilege for Life Insurance

Each Insured may convert all or any portion of his or her Life Insurance that would end under the Policy due to:

1. termination of employment;
2. termination of membership in an eligible class under the Policy;
3. termination of the Policy.

The Insured may apply for any type of life insurance we offer to persons of the same age in the amount applied for, except you may not:

1. choose term insurance;
 2. apply for an amount of insurance greater than the coverage amount terminating under the Policy (also, the conversion policy will not provide accident, disability or other benefits); or
 3. apply for more than \$10,000 of insurance if the Policy is terminated or amended to terminate the insurance for any class of Insureds, or the Employer cancels participation under the Policy.
- Conversion in these cases is only permitted if you have been covered by the Policy or, any group life insurance policy issued to the Employer which the Policy replaced, for at least 3 years.

If the Insured becomes eligible for coverage under any group life policy within 31 days of termination of coverage under this Policy, the Insured may not convert an amount of insurance greater than the amount of coverage terminating under the Policy less the amount for which he or she may be covered under the other policy.

To apply for conversion insurance, the Insured must, within 31 days after coverage under the Policy ends:

1. submit an application to us; and
2. pay the required premium.

Evidence of insurability is not required.

Premium for the conversion insurance will be based on the age and class of risk of the Insured and the type and amount of coverage issued.

If the Insured has assigned ownership of his group coverage, the owner/assignee must apply for the individual policy.

Conversion insurance will become effective on the 31st day after the date coverage under the Policy ends provided the application is received by us and the required premium has been paid.

If the Insured dies during the 31-day conversion period, the Life Insurance benefits will be paid under the Policy regardless of whether he or she applied for conversion insurance. If a conversion policy is issued, it will be in exchange for any further benefits for that type and amount of insurance from this Policy.

Extension of Conversion Period

If an Insured is eligible for conversion insurance and is not notified of this right at least 15 days prior to the end of the 31-day conversion period, the conversion period will be extended. The Insured will have 15 days from the date notice is given to apply for conversion insurance. In no event will the conversion period be extended beyond 90 days. Notice, for the purpose of this section, means written notice presented to the Insured by the Employer or mailed to the Insured's last known address as reported by the Employer.

If the Insured dies during the extended conversion period, but more than 31 days after his or her coverage under the Policy terminates, Life Insurance benefits:

1. will not be paid under the Policy; and
2. will be payable under the conversion insurance; provided:
 - a. the Insured's application for conversion insurance has been received by us; and
 - b. the required premium has been paid.

Prior Conversion Limitation

If an Insured is covered under a life insurance conversion policy previously issued by us, he or she will not be eligible for this Conversion Privilege unless the prior coverage has ended.

TL-009740

CLAIM PROVISIONS

Notice of Claim

Written notice of claim, or notice by any other electronic/telephonic means authorized by us, must be given to us within 31 days after a covered loss occurs or begins or as soon as reasonably possible. If written notice, or notice by any other electronic/telephonic means authorized by us, is not given in that time, the claim will not be invalidated or reduced if it is shown that notice was given as soon as was reasonably possible. Notice can be given at our home office in Philadelphia, Pennsylvania or to our agent. Notice should include the Employer's name, the Policy Number and the claimant's name and address.

Written notice, or any other electronic/telephonic means authorized by us, of a diagnosis of a Terminal Illness on which claim is based must be given to us within 60 days after the diagnosis. If notice is not given in that time, the claim will not be invalidated or reduced if it is shown that written notice, or any other electronic/telephonic means authorized by us, was given as soon as reasonably possible.

Claim Forms

When we receive notice of claim, we will send claim forms for filing proof of loss. If we do not send claim forms within 15 days after notice is received by us, the proof requirements will be met by submitting, within the time required under the "Proof of Loss" section, written proof, or proof by any other electronic/telephonic means authorized by us, of the nature and extent of the loss.

Claimant Cooperation Provision

If you fail to cooperate with us in our administration of your claim, we may terminate the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Insurance Data

The Employer is required to cooperate with us in the review of claims and applications for coverage. Any information we provide to the Employer in these areas is confidential and may not be used or released by the Employer if not permitted by applicable privacy laws.

Proof of Loss

You must provide written proof of loss to us, or proof by any other electronic/telephonic means authorized by us, within 90 days after the date of the loss for which a claim is made. If written proof of loss, or proof by any other electronic/telephonic means authorized by us, is not given in that 90 day period, the claim will not be invalidated nor reduced if it is shown that it was given as soon as was reasonably possible. In any case, written proof of loss, or proof by any other electronic/telephonic means authorized by us, must be given not more than one year after the 90 day period. If written proof of loss, or proof by any other electronic/telephonic means authorized by us, is provided outside of these time limits, the claim will be denied. These time limits will not apply due to lack of legal capacity.

Written proof, or any other electronic/telephonic means authorized by us, of loss for Accelerated Benefits must be furnished 90 days after the date of diagnosis. This proof must describe the occurrence, character and diagnosis for which claim is made.

In case of claim for any other loss, proof must be furnished within 90 days after the date of such loss.

If it is not reasonably possible to submit proof of loss within these time periods, we will not deny or reduce any claim if proof is furnished as soon as reasonably possible. Proof must, in any case, be furnished not more than a year later, except for lack of legal capacity.

Time of Payment

Benefits due under the Policy for a loss, other than a loss for which the Policy provides installment payments, will be paid immediately upon receipt of due written proof of such loss.

Subject to the receipt of satisfactory written proof of loss, all accrued benefits for loss for which the Policy provides installment payments will be paid monthly; any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of due written proof, unless otherwise stated in the Description of Benefits.

Manner of Payment of Claims

The Policyholder authorizes that any benefit payment due as a lump sum of \$5,000.00 or more shall be credited to a draft account with the Insurance Company, in the name of the beneficiary. The beneficiary may withdraw the entire proceeds at any time by issuing one or more drafts, or may withdraw lesser amounts, subject to a minimum account balance set by the Insurance Company from time to time. Interest shall be credited to such account at rates as determined from time to time by the Insurance Company.

The beneficiary also has the option to elect a lump sum payment.

To Whom Payable

Death Benefits will be paid to the Insured's named beneficiary, if any, on file at the time of payment or to the certificate owner if alive. If there is no named beneficiary or surviving beneficiary, Death Benefits will be paid to the first surviving class of the following living relatives: spouse; child or children; mother or father; brothers or sisters; or to the executors or administrators of the Insured's estate. We may reduce the amount payable by any indebtedness due.

All benefits payable under the Accelerated Benefits section are payable to the Insured, if living. If the Insured dies prior to the payment of an eligible claim for an Accelerated Benefit, benefits will be paid in accordance with the provisions applicable to the payment of Life Insurance proceeds, unless the Insured has directed us otherwise in writing. However, any payment made by us prior to notice of the Insured's death shall discharge us of any benefit that was paid.

All other benefits unless otherwise stated in the Policy, will be payable to the Insured or the certificate owner if other than the Insured.

Any other accrued benefits which are unpaid at the Insured's death will, at our option, be paid either to the Insured's beneficiary or to the executor or administrator of the Insured's estate.

If there is no beneficiary living on the date of the Insured's death, we may pay up to \$500 to any person whom it believes is equitably entitled by reason of having incurred funeral and other expenses incident to the last illness or death of the Insured. This good faith payment satisfies our legal duty to the extent of that payment.

Change of Beneficiary

You may change your beneficiary at any time by giving written notice to the Employer or to us. The beneficiary's consent is not required for this or any other change which you may make unless your designation of beneficiary is irrevocable.

No change in beneficiary will take effect until the form is received by the Employer or us. When this form is received, it will take effect as of the date of the form. If you die before the form is received, we will not be liable for any payment that was made before receipt of the form.

Physical Examination and Autopsy

We may, at our expense, exercise the right to examine any person for whom a claim is pending as often as we may reasonably require. Also, we may, at our expense, require an autopsy unless prohibited by law.

Legal Actions

No action at law or in equity may be brought to recover benefits under the Policy less than 60 days after written proof of loss, or proof by any other electronic/telephonic means authorized by us, has been furnished as required by the Policy. No such action shall be brought more than 3 years after the time satisfactory proof of loss is required to be furnished.

Time Limitations

If any time limit stated in the Policy for giving notice of claim or proof of loss, or for bringing any action at law or in equity, is less than that permitted by the law of the state in which you live when the Policy is issued, then the time limit provided in the Policy is extended to agree with the minimum permitted by the law of that state.

Physician/Patient Relationship

You have the right to choose any Physician who is practicing legally. We will in no way disturb the Physician/patient relationship.

ADMINISTRATIVE PROVISIONS

Premiums

The premiums for this Policy will be based on the rates currently in force, the plan and the amount of insurance in effect.

If an Insured's coverage amount is reduced due to acceleration of a Death Benefit, premium will be based on the amount of coverage in force on the day before the reduction took place.

Draft Accounts

The Insurance Company shall be entitled to retain, as part of its compensation, any earnings on draft accounts created in connection with benefit claims, in excess of interest credited under the terms of the policy.

Reinstatement of Insurance

Your coverage may be reinstated without satisfying the Insurability Requirement, if your insurance ends because you are on an unpaid leave of absence and you apply for Reinstatement within 31 days of your return to Active Service.

After your insurance ends, it may be reinstated at any date prior to five years after the date of termination if the following conditions are met.

1. The Policy is still in force.
2. You are eligible under the Policy.
3. You send us a written request for reinstatement and a new enrollment form.
4. The required premium is paid.
5. The Insurability Requirement, if applicable, is satisfied.

TL-004722

GENERAL PROVISIONS

Incontestability

All statements made by the Employer or by an Insured are representations not warranties. No statement will be used to deny or reduce benefits or as a defense to a claim, unless a copy of the written instrument containing the statement has been signed by the Insured and furnished to the claimant. In the event of death or legal incapacity, the beneficiary or representative must receive the copy.

After two years from an Insured's effective date of insurance, no such statement will cause insurance to be contested.

Misstatement of Age

If an Insured's age has been misstated, we will adjust all benefits to the amounts that would have been purchased for the correct age.

Workers' Compensation Insurance

The Policy is not in lieu of and does not affect any requirements for insurance under any Workers' Compensation Insurance Law.

Assignment of Benefits

We will not be affected by the assignment of your certificate until the original assignment or a certified copy of the assignment is filed with us. We will not be responsible for the validity or sufficiency of an assignment. An assignment of benefits will operate so long as the assignment remains in force provided insurance under the Policy is in effect. This insurance may not be levied on, attached, garnisheed, or otherwise taken for a person's debts. This prohibition does not apply where contrary to law.

Clerical Error

A person's insurance will not be affected by error or delay in keeping records of insurance under the Policy. If such an error is found, the premium will be adjusted fairly.

Conversion Privilege for Life Insurance

Insured Employees and Insured Spouses may convert to an individual policy of life insurance for an amount not greater than the Conversion Amount shown below when the Policy ends, without regard to any requirement that the person be insured under the policy for a specified period of time, if all of the following apply.

- a. The Insured became Totally Disabled while covered for the Life Benefit of the Policy. Totally Disabled means the person is unable to perform all the material duties of any occupation for which he or she may reasonably be qualified based on training, education and experience.
- b. The Insured remained Totally Disabled until the Policy ended while covered for the Life Benefit of this Policy.
- c. The Policy does not provide a Waiver of Premium, Extended Death Benefit Provision or monthly payments to Totally Disabled Insureds for the Life Benefit.
- d. The person meets all other conditions for converting the insurance.

Conversion Amount - Insured's life insurance amount under the Policy on the date the Policy ends minus the amount for which the Insured is insured under a group policy that provides life coverage to employees of the Insured Employee's Employer covered under this Policy. The dollar limit that applies to the amount for conversion at Policy termination does not apply.

The requirement that the Insured be covered under the Policy for the stated number of years in order to convert life insurance does not apply.
